

Selected list of publications of Richard van der Horst

November 2018

András Várhelyi, Aliaksei Lareshyn, Carl Johnsson, Nicolas Saunier, Richard van der Horst, Maartje de Goede, Tanja Kidholm Osmand Madsen (2018). Chapter 4 Surrogate measures of safety and traffic conflict observations. In: Evelyn Polders & Tom Brijs (Eds). *How to analyse accident causation. A handbook with focus on vulnerable road users*. Diepenbeek: Hasselt University Transportation Research Institute.

Horst, A.R.A. van der, Thierry, M.C., Vet, J.M. & Rahman, A.F. (2017). An evaluation of speed management measures in Bangladesh based upon alternative accident recording, speed measurements, and DOCTOR traffic conflict observations. *Transportation Research Part F 46* (2017), 390-403.

Lareshyn, A., Jonsson, C., De Ceunynck, T., Svensson, Å., Goede, M. de, Saunier, N., Włodarek, P., Horst, A.R.A. van der & S. Daniels (2016). *Review of current study methods for VRU safety Appendix 6 – Scoping review: surrogate measures of safety in site-based road traffic observations*. (Deliverable 2.1 – part 4). In DeV: In-Depth understanding of accident causation for Vulnerable road users. Warsaw: Warsaw University of Technology.

Vet, J.M., Thierry, M.C., Horst, A.R.A. van der & Rahman, A.K.M.F. (2016). The first integrated speed management program benefitting vulnerable road users in Bangladesh: results and implications for LMICs. (Paper 108). *17th Road Safety on Five Continents Conference, Rio de Janeiro, 17-19 May, 2016*.

Horst, A.R.A. van der (2014). Effects of traffic infrastructure and road design on safe driving. In: *R. Rissler: Proceedings Fit to Drive, 8th International Traffic Expert Congress Warsaw 2014 Individual & environment – what steers road user behaviour*. Bonn: Kirschbaum Verlag, 49 – 55.

Horst, A.R.A. van der, Goede, M. de, Hair-Buijssen, S. de & Methorst, R. (2014). Traffic Conflicts on bicycle paths: A systematic observation of behaviour from video. *Accident Analysis and Prevention 62*(2014), 358-368.

Horst, A.R.A. van der (2013). *Video-recording of accidents, conflicts and road user behaviour: a step forward in traffic safety research*. In: Tagungsband Deutsche Gesellschaft für Verkehrsmedizin (DGVM) und Deutsche Gesellschaft für Verkehrspsychologie e. V. (DGVP) 8. Gemeinsames Symposium 2012, Hamburg, September 7-8, 2012. Bonn: Kirschbaum Verlag, 95-97.

Horst, A.R.A. van der (2013). Behavioural Adaptation to Roadway Engineering Countermeasures. Chapter 7 in: Rudin-Brown, Ch.M. & S.L. Jamson (Eds). *Behavioural Adaptation and Road Safety. Theory, Evidence and Action*. Boca Raton: CRC Press Taylor & Francis Group, 113-134.

Kraay, J.H., Horst, A.R.A. van der & Oppe, S. (2013). *Manual conflict observation technique DOCTOR Dutch Objective Conflict Technique for Operation and Research*. (Report 2013-1). Voorburg: Foundation Road safety for all. Translation into English by A.R.A. van der Horst.

Nes, N. van, Christoph, M., Hoedemaeker, M. & Horst, A.R.A. van der (2013). The Value of Site-Based Observations Complementary to Naturalistic Driving Observations: a Pilot Study on the Right Turn Manoeuvre. *Accident Analysis and Prevention 58* (2013), 318-329.

- Schaap, N, Horst, R. van der, Arem, B. van, Brookhuis, K. (2013). The relationship between Driver Distraction and Mental Workload. In: Regan, M. A., Lee, J.D., Victor, T.W. (eds): *Driver Distraction and Inattention: Advances in Research and Countermeasures, Volume I*. Surray: Ashgate Publishing Limited, UK, 63 – 80.
- Horst, A.R.A. van der (2012). Resilience to failure and break-down. Chapter 3 in: Theeuwes, J., Horst, R. van der & M. Kuiken (2012). *Designing Safe Road Systems: a Human Factors Perspective*. Farnham, UK: Ashgate Publishing Ltd., 27-40.
- Horst, A.R.A. van der (2012). The Performance of Road Users Hierarchical Task Levels. Chapter 4 in Theeuwes, J., Horst, R. van der & M. Kuiken (2012). *Designing Safe Road Systems: a Human Factors Perspective*. Farnham, UK: Ashgate Publishing Ltd., 41-56.
- Horst, A.R.A. van der (2012). . Information Carriers meet Basic Ergonomic Principles. Chapter 6 in Theeuwes, J., Horst, R. van der & M. Kuiken (2012). *Designing Safe Road Systems: a Human Factors Perspective*. Farnham, UK: Ashgate Publishing Ltd., 71-86.
- Horst, A.R.A. van der (2012). Individual Information Elements are Consistent and Uniform within Their Context. Chapter 7 in Theeuwes, J., Horst, R. van der & M. Kuiken (2012). *Designing Safe Road Systems: a Human Factors Perspective*. Farnham, UK: Ashgate Publishing Ltd, 87-98.
- Horst, A.R.A. van der (2011). *The Lauer Letter: Human Factors Research in Road Traffic Revisited*. In Summer 2011 Newsletter of the Surface Transportation Technical Group of the HFES. (<http://hfes-sttg.dwsms.com/newsletter>).
- Horst, A.R.A. van der & J.H. Hogema (2011). Driving Simulator Research on Safe Highway Design and Operation. *Transportation Research Record, Journal of the Transportation Research Board, No 2248*, 87-95.
- Cabello, E., Sanchez, F., Martin, I., Calello, A.B., Goede, M. de, Horst, A.R.A. van der, Conde, C. & Romay, P. (2010). Data on mobility and safety. In: *PQN Final Report – Part B: Documentation. B.1. Functional Needs*, 41-54. Brussels: COST Office.
- Christoph, M., Nes, N. van, Pauwelussen, J., Mansvelders, R., Horst, R. van der & Hoedemaeker, M. (2010). *In-vehicle and Site-based observations of vehicles and cyclists. A small-scale ND study in the Netherlands*. PROLOGUE Deliverable D3.4. TNO: Soesterberg.
- Feenstra, P.J., Horst, A.R.A. van der, Cerreia Gracio, B.J. & M. Wentink (2010). Effect of Simulator Motion Cueing on Steering Control Performance: A Driving Simulator Study. *Transportation Research Record: Journal of the Transportation Research Board, No. 2185*, pp. 48–54.
- Goede, M. de, Groenewoud, C. & Horst, A.R.A. van der (2010). The safety of pedestrian crossing. In: *PQN Final Report – Part B: Documentation. B.1. Functional Needs*, 229-239. Brussels: COST Office.
- Goede, M., Horst, A.R.A. van der, Alferdinck, J.W.A.M. & M.H. Martens. *Human factors considerations in tunnel design*. (TNO report TNO-DV 2010 C026). Soesterberg: TNO Human Factors.
- Horst, A.R.A. van der & M.H. Martens (2010). The Peripheral Detection Task (PDT): On-line Measurement of Driver Cognitive Workload and Selective Attention. In: *G.L. Rupp (ed.). Performance*

metrics for Assessing Driver Distraction: The Quest for Improved Road Safety (SAE R-402). Warrendale: SAE International. 73-89.

Methorst, R. & A.R.A. van der Horst (2010). *Pedestrians' performance and satisfaction*. Paper presented at the Walk21/PQN Conference Getting Communities Back on their Feet, The Hague 17-19 November 2010.

Horst, A.R.A. van der & G.A. Klunder (2009). *Final Report TRANSUMO project Intelligent Vehicles VM04-033*. Zoetermeer: Transumo.

Martens, M.H., Brouwer, R.F.T. & Horst, A.R.A. van der (2009). The environment : roadway design, environmental factors and conflicts. Chapter 7 In: Candida Castro (Ed.). *Human factors of visual and cognitive performance in driving*. Boca Raton: CRC Press Taylor & Francis Group, 117-149.

Duivenvoorden, K., Schaap, T.W., Horst, A.R.A. van der, Feenstra, P.J. & B. van Arem (2008). *Roadside versus in-car speed support for a green wave: a driving simulator study*. Paper 08-1185. TRB 87th Annual Meeting, January, 2008, Washington, D.C. (CD-ROM).

Hegeman, G., Horst, A.R.A. van der, Brookhuis, K.A. & S.P. Hoogendoorn (2008). Functioning and Acceptance of an Overtaking Assistant Design Tested in a Driving Simulator Experiment. *TRB Record 2018*, 45 -52.

Horst, A.R.A., Martens, M.H. & J.J. Kik (2008). Evaluation of signalised high-volume multi-lane turbo roundabouts: road scene analysis, road user survey, and video-based analysis of road user behaviour. In: *Proceedings 21st ICTCT Workshop, Riga, 30-31 October, 2008*.

Horst, A.R.A. van der (2008). Video-Recorded Accidents, Conflicts and Road User Behaviour: A Step Forward in Traffic Safety Research. In: *Hector Monterde I Bort & Diego Moreno Ribas (eds) (2008). Towards Future Traffic Safety Research*. Valencia: Palmero Ediciones, 224-239.

Horst, A.R.A. van der & S.N. de Ridder (2008). The Influence of Roadside Infrastructure on Driving Behavior: A Driving Simulator Study. *TRB Record 2018*, 36- 44.

Mansfield, H., Bunting A., Martens, M. & Horst, R. van der (2008). *Analysis of the On the Spot (OTS) Road Accident Database*. (Road Research Report No. 80). London: Dept. for Transport.

Schaap, T.W., Horst, A.R.A. van der, Arem, B. van & K.A. Brookhuis (2008). Drivers' reactions to sudden braking by lead car under varying workload conditions; towards a driver support system. *IET Intell. Transp. Syst., Vol. 2, No. 4, December 2008*, 249-257.

Horst, A.R.A. van der (2007). Time-Related Measures for Modelling Risk in Driver Behaviour. Chapter in: *C. Cacciabue and Ch. Re (Eds). Critical Issues In Advanced Automotive Systems and Human-Centered Design*. Springer UK, 235-252.

Horst, A.R.A. van der, Rook, A.M., Amerongen, P.J.M. van & Bakker, P.J. (2007). *Video-recorded accidents, conflicts and road user behaviour: Integral Approach Analysis of Traffic Accidents (IAAV)*. (TNO Report TNO-DV 2007 D154). Soesterberg: TNO Defence, Security and Safety.

Malone, K. & Horst, A.R.A. van der (2005). *Transition to Sustainable Mobility with Intelligent Vehicles Research project Overview*. 12th ITS World Congress, October 2005, San Francisco.

Ridder, S.N. de, Thomson, R. & Horst, A.R.A. van der (2005). *Identify envelope of vehicle and driver response prior to collisions*. Deliverable D04 RISER Roadside Infrastructure for Safer European Roads. Göteborg: Chalmers University of Technology.

Rook, A.M., Hogema, J.H., & A.R.A. van der Horst (2004). Intelligent speed adaptation: acceptance and driver behaviour on rural roads. *Proceedings 17th ICTCT workshop Tartu October 2004* (internet).

Wilmink, I. & A.R.A. van der Horst (2004). *An ITS evaluation environment for safety, quality of the environment and throughput: research questions & model requirements*. (TNO report 04-7N-131). Delft: TNO INRO.
